After selecting the type of organization, in the appropriate column, enter the personal number of LLC or Private Company and click on the “CHECK” button. The Company name will appear automatically, and the rest of the columns, you should fill in with the relevant information.

It is important that you enter the information correctly and completely, as this information is used to prepare documents such as contract, warranty documents, etc.

The screenshot shows a web interface with three tabs: "Login", "LTD Registration", and "Private Company/Natural Person Registration". The "LTD Registration" tab is active. On the left, under the "Login" tab, there are input fields for "Username or email address" and "Password", a "Login" button, a "Remember me" checkbox, and a "Forgot your password?" link. On the right, under the "LTD Registration" tab, there is a "Company ID" input field with a red "Check" button below it. Below that are input fields for "Company Name", "E-mail", "Phone Number", "Contact Person", "Password", and "Confirm Password". At the bottom right of the registration section, there is a red button labeled "LTD Registration" with a speech bubble icon.

After entering the data correctly and clicking on the registration button, a window will appear with the caption „Thank you for registering, please check our products and services“.

This screenshot shows the same registration form as above, but with a confirmation dialog box overlaid in the center. The dialog box features the GSN logo (stylized letters 'GSN' above the Georgian text 'გაიბეჭედი') and the message "Thank you for registering, please check our products and services". Below the message is a red "OK" button. The background registration form is dimmed.

By clicking on the “OK” button, you will close the mentioned window and log in with your e-mail and password used during registration. After successful login, your profile will be considered activated.
